

In the Specification

Please replace Table 1 on page 17 of the original specification submitted on December 4, 2003. Additions thereto are underlined and text deleted therefrom are in double brackets. Specifically, "Medium Clay," the "05" is replaced with "0.5", for "Wet medium soil," the second "100" is replaced with "1000", for "Stiff Clay," the "L" is replaced with a "K", and for "Sandstone," the "c" is replaced with an "x". All are typographical errors. Per 37 C.F.R. §1.121(b)(1)(ii), a mark-to-show table follows, followed by a clean version of the replacement section for the examiner's convenience.

Mark-to-Show Replacement Section:
